

Contract No. 4400001613  
Retainer Contract for Fabrication Inspection  
Statewide and Out of State

- Q. Minimum Personnel Requirement No. 3 calls for a Senior Fabrication Inspector meeting one of several possible requirements. One of these is, "Individual application approved by the Fabrication Engineer." Must this approval be obtained before the submittal is made or is this approval done as part of the evaluation process?
- A. It is preferable to have this approval prior to submitting; however, the approval can be done as part of the evaluation process.
